Children's Ministry

For the month of Nov, our Children's Ministry will be hosting their vacation bible school. The theme is The True North. At the True North, kids discover that they can trust Jesus in a wild world! True North is filled with awesome Bible-learning experiences kids see, hear, and touch! Hands-on science experiments, team-building games, unforgettable and Bible songs are just a few of the standout activities that help faith flow into real life. (Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and sturdy shoes.) Plus, we'll help kids discover how to see evidence of God in everyday life—something we call God Sightings®. Get ready to hear that phrase a lot! Invite the young people in your life for this exciting experience.
