Membership Care Info Update

If you are a Victory Member, we want your help. In an effort to continue to provide outstanding membership care to you, we are asking you to assist us in keeping your profile information up-to-date in our database. If you require changes to things like name changes, address, or contact info, then scan the QR code, and you can either make the changes yourself, or we can change them for you. If you are not in our database, we recommend you become a part of the Victory Family today. If you have any questions, contact Minister Shavonne Jackson at database@vcmi.org.
